TIPS FROM OUR WEBMASTER

Standard Documents

Club Secretaries; please remember for your convenience there are links off the ARYA, QRYA and RCYachts sites to standard regatta documents;

ARYA Standard Notice of Race
ARYA Standard Entry Form
ARYA Standard Sailing Instructions

Just complete the fields in red on the NoR (save it to your system) and email back to me (as a word doc attachment).

New feature There is now a Messageboard on the ARYA site at <http://www.rudiosailing.org.au/>

Online Nominations

All members please note that Online entries are offered as a convenience only and automatic entry should not be assumed by submitting your details online. While the Race Secretary should also acknowledge receipt of your entry, it is the responsibility of the entrant to ensure that their details have been included on any online skipper list. If for any reason you nominate and later change plans it is your responsibility to email both the webmaster and the Race Secretary advising of your intention to withdraw.

This common courtesy will greatly assist the successful operation of the process.

TIPS FROM OUR WEBMASTER

CONTACT DETAILS

State & Club Secretaries; Please ensure that your contact details are up to date on the ARYA site. If you need to make any changes please **COPY THE FORMAT** which appears online.

MEMBERS CONTACT INFORMATION

All individual club members; please ensure that your local club has your current postal and email address.

PHOTO'S FOR PUBLICATION

All individual members and club secretaries; please do NOT optimize any photos for posting on the web I would sooner have large images than unusable 'pixelly' files to post.

REGATTA RESULTS

All Secretaries; please send all regatta results in Excel and all race reports in Word doc format only please

These always open and are easy for me to work with and convert to the web and will save any delays in posting your results.

WEBSITE REFRESH

Always click your reload/refresh to update any changes on the websites. If any changes still do not appear remove the " www." from the address field i.e. <http://www.radiosailing.org.au/> as <http://radiosailing.org.au/>

BROKEN LINKS

If you discover a broken link, please let me know or better still send me the updated link which would be a great help and time saver.
