

Convenor's Annual Report 2007

Since we met together in Hamilton last year we have received five Maori Interest Group newsletters to keep us informed. Thank you Bruce for producing the newsletter every three months. We do not ask for subscriptions to our Group but I would ask everyone to make a koha, however small, as this helps us buy resources.

My thanks to Brenda Joyce. She has been a great support during the past year as Secretary and Treasurer. She maintains the contact between Bruce and myself.

Bruce Mathers has also been a great support both as Editor of Te Reo and webmaster. Thank you Bruce for your enthusiasm and help. Bruce cannot do the job of Editor forever so we need to start considering someone else to take over this position in the future.

To remain constitutional and on the advice of Peter Nash we were required to co-opt two more members to the committee to bring the number up to five. We are most grateful to Lorraine Rice and Colleen Petricevich for agreeing to fill these positions.

We thank all those who sent in articles for Te Reo as they are most interesting and I, for one, collect them.

Kia ora

Peter Allen.
