Marblehead GP – Round 3

Mount Penang Gardens – 14th August 2011

Light wind and light rain greeted the 9 competitors from 4 clubs for the 3rd round of the NSW M GP Round 3 sailed Mt Penang Gardens on the NSW Central Coast.

Racing got under way in a very light westerly breeze that shifted to all points of the compass with intermittent light showers. The first races were run full length 2 triangles but most races in the morning had to be shortened to one triangle. Even then only 4 races were run before the lunch break, with wins shared between Pat O'Brian, Chris Stokes and Phillip Page.

After the lunch break, a light breeze shifted to the SE. Wins were then shared around the top placegetters but racing was close with most skippers having a share of the lead. Racing was called just before 3pm and after 11 races Phillip Page proved the most consistent on 18 points with Pat O'Brian on 22 and Chris Stokes and Phil Page tied on 25 points. The event was the first M event run by Northern mariners and ably run by PRO Frank Russell with his wife Marilyn scoring.
