

Norwest SMMC Interclub

Saturday 23rd, cool morning with the sun shining, 11 starters from 4 clubs ready to do friendly battle.

The forecast for wind was encouraging but during the course of the day ended up being vary variable. 6 scratch races were completed during the morning session with the local club filling the first 3 places. A break for lunch saw a change in the weather with rain for most of the afternoon, heavy at times but in true sailing spirits handicap racing continued. Results in the afternoon and the overall results saw three of the 4 clubs sharing the spoils.

On any of these days, thanks must go to the people who give up their sailing to run the event and for that we say thanks to Jack Lee and Colin Ferguson, officials/scoring, Tony Bolding, tea and coffee on demand, Rob Hales, rescue boat (and used) and also to those (wives and partners) who supplied the refreshments.

The next interclub is Tabourie Lake, first weekend in November and the final race for the Travellers Cup. Hope to see you there.
