

## 10r Tyson Trophy Mt Penang Gardens 17th Oct 2015

Saturday 17<sup>th</sup> October 13 Ten Raters lined up for the running of the 2015 Tyson Trophy, PRO Phil Page got racing under way at around 1015 in light fluky conditions with most skippers finding themselves in a great spot one minute and dumped the next, not only a skippers nightmare but also for the PRO with the course being changed on a number of times for little result as the breeze just swung round all day.

It was great to see long time skipper Phil Lawson make an appearance along with Grant Waring who have both had their share of illness, also great to see the boys from the gong in attendance. Racing was to say the least difficult and Frank Russell sailing a borrowed boat who had the most wins finished down the order a bit with some inconsistent finishes.

Owen Jarvis who has had quite some good results in the last couple of regatta's deserved his win sailing very consistently closely followed by Garry Bromley who a few weeks ago won the QLD championship's also worked out the conditions well sailing his Diamond, Selwyn Holland finished in 3<sup>rd</sup> spot after a mixed day of results.

The 10r State Titles are the next and final big event for the 10r class for the year and looks like a great roll up at this stage hope to see you there. Thanks go to those who continually step up to the plate and drop out to run events or do the shopping and help with the set up for these events your help is appreciated and needed.

NM President and PRO
