

2015 Soling Interclub SMMC – Saturday 22nd August

The third round of the interclub event was held in superb weather, sunny and a good breeze if difficult to pick at times. Numbers were disappointing with only 3 visitors, 2 from Brisbane Waters and 1 from a non-participating club. I would like to thank them for making the effort. Thanks must also go to the helpers Jack Lee (RO) and his trusty assistant Col Ferguson who give up their sailing for the day and the other members and their wives/partners who also contributed.

Congratulations to all who participated and especially those who picked up the spoils.
