**2017 SOLING 1M STATE TITLES
AND
INTERCLUB REGATTA
28th and 29th October**

We were lucky again this year with two good days of sailing in sunshine and with a good but variable northerly breeze both days at the entrance to Lake Tabourie where the fishing platform provides an ideal venue control area. The breeze turned to the south and petered out on Saturday, so we were limited to ten races and on Sunday it slackened off after a few races before picking up again for good racing and 12 races.

For the State Titles on Saturday we had seventeen starters; five from Brisbane Waters, two from Norwest Park, one from WHMBC and nine locals for a fleet of seventeen and on Sunday for the Handicap Series an extra local for eighteen starters.

The Scratch Championship series was blitzed by Matthew Middleton from Brisbane Waters who won all ten races with Terry Howard also from BWRYS second and Ron Freedman, a local, in third place. Matthew also won the travelers trophy. It was a good day followed by a friendly R&R at the Tabourie Lake Motel Inn restaurant bar area and an informal dinner that evening.

Matthew just had an off day or maybe a lousy handicap!

After 12 races it was time to knock off for the presentation BBQ at the Motel where the new owners met everyone and promised to make the venue available again and to sponsor the local club.... great news.
