

## 10R GP 2 Report 28 April 2018 – MAZDA Trophy

### Hosted by Koonawarra Bay Sailing Club

This event was sailed at the Koonawarra Bay Sailing Club on Saturday 28 April 2018. A brisk 10knot SW breeze greeted the early arrives and it was looking to be an great sailing day. However the weather Gods were not totally with us again this year, with sailing being postponed for 1 hour after 2 races due to no wind but it was fine overcast day on Lake Illawarra. When the wind did settle in it was from the SW at 3 ~8 knots variable with the influence of the rain clouds along the coast and the mountain ranges. Thankfully it did not rain on our regatta. Course was set as port hand windward / leeward and the 9 entrants sailed just four heats before lunch was taken. Sailing recommenced in the afternoon with very light variable wind strength and direction making it necessary to change the courses from SW to a 7~10knot S wind. Eighteen races were contested in good winds and “sea” state.

Stephen Sedgman (CMYC) sailing a SANGA showed his prowess by winning the event on 23 points from 9 wins and 3 drops, and was awarded the MAZDA Trophy for his efforts. Second place went to on Ben Taylor (LMRYC) on 37 points. Third place went to Joe Roos (CMYC) sailing a Diamond on 57 points. See below for full results.

The racing was pleasing to watch with the sailors in the spirit of competitiveness without aggression. There was a lot of interaction between the sailors advising the others of their intentions early, and this led to minimal intervention by the race committee with any indiscretions on the water being acknowledged and penalties performed in a timely manner. All races were started some very close tactical starts and only 3 OCS calls – well done guys!

Thanks to the KoBSC team for making this a successful event, Ralph Hyman / Alan Smith for feeding the sailors, Dave Morison for response boat duties, Ralf Steyer and Glenn Morell for acting as observers

Good sailing for the rest of this year's 10R series.

Barry Grant –PRO
