

## 2018 Australia Day Regatta

Workers Hubertus Country Club, Luddenham.

No NSWRYA event had been held at WHMBC in the past so no one really knew what to expect. Those who did turn up were pleasantly surprised. 28 Boats spread over four fleets.

The warm weather experienced by the western suburbs in recent weeks was expected to continue but with ample shade in the control area the sun was not a problem.

The A Class, IOM, DF65 and DF95 Classes. were represented. Each Class sailed 6 races, each race consisting of two laps of a triangular course.

It was nice to get back to our roots and have reaching legs as most courses these days are windward leeward gates.

While sailing was difficult when the wind went light it stayed in the same general direction all day.

Lunch was the famous freshly made Hubertus burger and a drink and was appreciated by all the competitors and helpers.

Racing was close in all the classes, as can be seen from the results. Australia Day Medals will be issued to the first three place getters in each Class with no one person receiving more than one Medal.

Will we be back, I hope so. The Club has a lot to offer Radio Controlled Sailing, least of all the a/c bar and cold beer.

Thanks, WHMBC for a fun days racing and thanks for the photos, Tony and Richard.

Paul Martin

Regatta Officer

NSWRYA.
