## **Dragon Force 65 Travellers Series**

Wollongong Radio Yacht Club https://wollongongmodelyachtclub.com/ Dunmore NSW 22<sup>nd</sup> September, 2018

The "wind gods" had fun with the guys all day. A great breeze on the most part but where it was going to come from next was another mystifying experience.

16 starters from Sydney, local, and up and down the coast. A great turn out and another quality, relaxed regatta from the boys at "The Pond".

Thanks to Garry for running his normal quality event and the guys in the background chasing vagrant yachts, buttering buns, struggling with HMS on the laptop and catering for all. Great work Al, Wayne, Maurice and Brian and all those who brought "infrastructure" and things to help run the show.

This report will be a bit different, lots of images were gathered by two "official" photographers, so let the images tell about the moments of depression, anticipation, joy and frustration. All in all, a normal day of sailing.

Congratulations to the podium guys, all locals from the pond. In fact the top 4 places went to the boys from Wollongong, a great effort.
