Mount Penang

Sunday 29th July 2018

Northern Mariners hosted the second round of the Marblehead GP Series.

Seven boats turned up, five from the host club and two from Wollongong Model Yacht Club. A rig was used for the 1st few races then as the wind strengthened skippers reduced sail to their B rigs and then C rig for the rest of the day. The wind was NW from 5 to 18 knots and there were plenty of nosedives in the gusts .

1st and 2nd place was separated by only 2 points after 16 races, nine wins to seven wins. . Phil Page won the day sailing well and Garry Bromley was right behind him. It was only decided on the last race who won. There was a few boats that had electrical issues during the day in challenging conditions. The racing was very close and competitive.
