Commentary;

Saturday the 7th February promised to be hot with temperatures forecast to be over 40 degrees in Sydney's west. However 7 intrepid sailors turned up to brave the 32 degree temperatures experienced at Kogarah Bay for the inaugural Kogarah Bay 10 Rater Challenge. Racing got under way at 10am in a light'ish SE breeze under the watchful eyes of Brian Hard and Jim MacGillivray from KBRYC. The breeze gradually swung to the NE and strengthened at lunch time to be gusting at 23 knots by the finish of sailing. The competitive field had 14 races with Chris Stokes winning with his Gibson Phoenix 3, Congratulations Chris and thanks to Brian and Jim for taking the time to run the regatta.

Sunday the 8th was the first round of the 10 Rater Interclub series. Unfortunately only four skippers arrived at KBRYC to enjoy the days racing in cooler temperatures than Saturday. Eleven races were sailed starting in a light ENE breeze that gradually strengthened to about 15 knots during the day. Frank Russell and Sid Thomas from the CCRYC shared the honors, finishing on equal points with Frank declared the winner on count back. Well done Frank. Many thanks to Allan Bicknell for running the event with his usual mix of wit and enthusiasm.

Owen Jarvis
