

## 2009 Northern Mariners "MAZDA" Trophy for 10 Raters

Sunday the 17<sup>th</sup> of May

A record fleet of 20 boats arrived to sail at 9.00 am, after some boat swapping and a early retirement sailing started not long after 10.00 am with a light wind from the south west.

Two fleets were used in the light conditions that prevailed all day with only 7 races completed in 14 heats.

Highlights of the day included; a swim from the rescue boat, Chris's Mini Haha impersonation paddling the rescue boat without rollicks', many come from behind wins and just as many losses from winning positions. It was great to see so many skippers being so competitive.

The sailing was hard but fair, the weather pleasant & sunny all day, the company great and the bear was cold, a great day.

Chris took out the day from a fast finishing Fletch with Phil not far behind.
