The day started by having to change the venue to the alternate due to the lack of water at the 1<sup>st</sup> choice site. Winds were variable all day with slightly better in the morning and dropping over the day, which seems to happen this time of the year, roll on the nor/easters. Allan Bicknell the OOD managed to get us to sail 15 races over the day, 8 scratch and 7 handicap. Phil Page came out on top with Fletch sailing a borrowed boat 2<sup>nd</sup>. Terry and Ian separated on count back as was Rodney and Peter. It was good to see Peter travel from the new club Lake Tabourie RYC down the south coast to compete in his first regatta and come out with an excellent sixth. A very enjoyable day, fine weather, good competition and great company.
