For the final day for 2007 of Jeff's Sail to Rules Days, there were only eight skippers to contest this round.

Over the year there were 27 skippers were attended one or more of these race days. It was impossible to work out an overall winner for the series as only one skipper had raced all but one of the series.

This skipper was Charmaine White and she was presented with an award for her effort of being the most consistent contestant.

The day went to Brad Johnson with a comfortable win over Jeff Byerley and Bill Clancy who tied for second place with Jeff gaining the higher spot on a count back.

Charmaine and Doug also had tied points with Charmaine getting the nod on count back.

Back at the sport after a long time away was Warick Robertson who built a Nimbus Mark 3 with sails he also made. Today was his first day with the boat in a competition. He has gone away with a lot of new ideas to add to his boat. With some more twiggung of the boat and further experience at sailing, Warwick should be up with the rest of the fleet not that he didn't do that at times during the day.

After the Christmas/ New Year break and the Nationals it is proposed to kick of the 2008 series on the 19th January 2008.

The Brisbane Radio Yacht Club wishes all skippers a Merry Christmas and a Happy New Year and hopes to see many more skippers in the new year.
