29.805	Cliff Bromiley	04	96	19	77	6
29.965	John French	53	145	21	124	7

The Queensland Laser Championships for 2008 were held at Lake Kurwongbah over the 2 days with 22 races being completed. The races were conducted under a strong North-Easterly with the fleet having to change down to B and in some cases C rigs on both days.

There was some strong competition between skippers as can be seen by the final results.

The days sailing attracted their fare share of sight seekers from those who were passing by.
